

Trading. Around the globe. Around the clock.

For over 50 years, ADM Investor Services has been a leader in the futures brokerage industry.

ADM Investor Services is proud of the 160 Introducing Brokers who have chosen us as their clearing firm, and we support their success with extensive execution and clearing services, cutting-edge technology and market expertise.

As the largest U.S. non-bank FCM*, we also offer our IBs and their customers a strong capital base in a culture of responsible business practices.

To learn more about the benefits of an ADM Investor Services clearing relationship, please contact Kurt Johnson at Kurt.Johnson@admis.com or 312.242.7000.
