

# Straits Financial

## **WHO WE ARE**

Straits Financial LLC, a subsidiary of Straits Financial Group, is an independent Futures Commission Merchant (FCM) registered with the Commodity Futures Trading Commission (CFTC) and the National Futures Association (NFA). Straits Financial LLC is helmed by a team of dedicated commodities and financial futures veterans who, over their long careers in the industry, have built relationships with a broad spectrum of clients. Through our global branches and partnerships, Introducing Brokers, and correspondents, we deliver a wide range of services and empower clients with access to trade in the world's leading exchanges.

Our U.S. operations are based in Chicago, IL. From here, we serve clients from all over the world. Our clients represent a wide variety of industries, including Agriculture, Softs, Metals, Livestock and Energies.

## **OUR MISSION**

To deliver the best direct access futures trading services and software platforms, combined with premier customer service to add value to our clients, anywhere in the world.

## **GLOBAL REACH & BUSINESS SOLUTIONS**

Through our Global Branches, Partnerships, Introducing Brokers, and Correspondents, we deliver a wide range of services to empower clients with access to trade in the world's leading exchanges. Our Business Solutions include:
