

CLEARING & EXECUTION SERVICES

Delivering access, insight, and expertise to our global customers

A Global FCM presence backed by broad futures industry experience

Superior, across-the-board clearing and execution capabilities

Deep commodities clearing roots

StoneX Financial is part of the StoneX Group (NASDAQ: SNE), a Fortune 100 financial institution currently serving more than 52,000 institutional and commercial clients. Our company's financial clearing history reaches back nearly a century.

We provide you with a comprehensive suite of clearing and execution services, guided by a management team with direct, hands-on futures industry experience. As one of the largest non-bank FCMs globally, we can deliver institutional-level capabilities and transparency under fewer regulatory burdens than banks. StoneX Financial's strength, experience and technical expertise extend across the United States, the United Kingdom, Australia, Argentina, and regulatory agencies worldwide.

Straight-through processing for futures and options transactions on global exchanges

Transactions, open positions, and end of day balances reported in real-time via FTP, SFTP or Customer-initiated files

Access to My.StoneX, a web-based portal providing you real-time access to market intelligence, trade activity, margin calls, daily and monthly statements, and more

Experienced commodities delivery assistance (Metals, Grains and Carbon) and financing for specific products

In-depth operational knowledge of clearing and execution listed futures and options, ensuring your trades are processed smoothly and efficiently

Specialized commission structure to best facilitate your unique business requirements

Unequaled customer support and service

- Our New York and Chicago-based teams work with every internal department to ensure a superior client experience from the first day you open your account
- Your Account Specialist serves as the single point of contact to promptly answer all your questions and inquiries
- The Compliance Onboarding Portal enables you to track your account opening status in real-time

Service offerings to fit your requirements

- Risk Management - Our front office risk team works with your team individually to understand your strategy and implement products, limits and evaluate positions
- Facilities Management – We provide clearing operations and execution support for FCMs looking for outsourcing solutions on all major exchanges worldwide
- 24-Hour Desk – Our 24-hour execution desk specializes in serving as an experienced and knowledgeable institutional trading desk

A wide-ranging customer base

- Institutional Accounts
- ETFs – 33 Act Funds, 40 Act Funds, Mutual Funds and UCITS
- Small-Mid Sized Hedge Funds
- Execution Accounts
